

You are invited to a:  
**Managing Scanned Ewes Workshop**

<b>"Ramahyuck"</b> <b>109 Ramahyuck Rd</b> <b>Perry Bridge (via Sale)</b>	<b>Wednesday</b> <b>3rd March</b>	<b>9.00am to</b> <b>1.00pm</b>
---	--------------------------------------	-----------------------------------

Presented by **Chris Shands** NSW DII Glen Innes

This is a **hands-on** workshop for sheep producers who **pregnancy scan** their ewes or who plan to scan.

Supported by your local scanning contractor, **Jo Kuch**.

You will take away the **practical skills needed** to ensure optimum lamb survival by better management of scanned ewes in your flock.

**This workshop will assist you with:**

- **Scanning and ewe management recommendations**
  - **Managing single and twin bearing ewes**
  - **Management targets**
  - **Maternal behaviour**
  - **Target fat scores during pregnancy**
- 
- *Morning tea and light lunch will be provided*
  - *Please bring a chair, hat and sunscreen*

To reserve a place in the **Managing Scanned Ewes Workshop** please RSVP to: **Jo** on **0427 498 396** by Friday 26th Feb 2010.

Name:.....Number attending.....
